(the “Partnership”) and each of Cheniere Energy Investments, LLC, Sabine Pass LNG-GP, LLC, Sabine Pass LNG, L.P., Sabine Pass Tug Services, LLC, Cheniere Creole Trail Pipeline, L.P. and Cheniere Pipeline GP Interests, LLC, as guarantors, entered into a Purchase Agreement (the “Purchase Agreement”) with J.P. Morgan Securities LLC, as representative of the initial purchasers named therein (the “Initial Purchasers”), to issue and sell to the Initial Purchasers \$1.5 billion aggregate principal amount of its 4.000% Senior Notes due 2031 (the “2031 Notes”).

The Purchase Agreement contains customary representations, warranties and agreements by the Partnership and customary conditions to closing and indemnification obligations of the Partnership and the Initial Purchasers. The foregoing description of the Purchase Agreement is not complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is filed as Exhibit 1.1 hereto and incorporated by reference herein.

Certain Initial Purchasers and their affiliates have provided from time to time, and may provide in the future, certain investment and commercial banking and financial advisory services to the Partnership in the ordinary course of business, for which they have received and may continue to receive customary fees and commissions.

Item 8.01 Other Events.

On February 25, 2021, the Partnership issued a press release announcing that it intended to offer, subject to market and other conditions, the 2031 Notes. A copy of the press release is attached as Exhibit 99.1 to this report and incorporated herein by reference.

On February 25, 2021, the Partnership issued a press release announcing that it had commenced a cash tender offer and consent solicitation (the “Tender Offer”) on the terms and subject to the conditions set forth in the Partnership’s Offer to Purchase and Consent Solicitation Statement, dated February 25, 2021, for up to \$1.0 billion in aggregate principal amount of its outstanding 5.250% Senior Notes due 2025 (the “2025 Notes”). The Partnership also announced that it intended to issue a conditional notice of redemption for a portion of the 2025 Notes less any amounts tendered in connection with the Tender Offer at a redemption price of 102.625% plus accrued and unpaid interest thereon to the redemption date. In addition, assuming the execution and delivery of the supplemental indenture, the Partnership announced it currently intends, in accordance with the terms and conditions of the indenture, as may be amended, to deliver a notice of redemption to the holders of any outstanding 2025 Notes on the early settlement date, if any, although the Partnership has no legal obligation to do so and the selection of any particular redemption date is in the Partnership’s discretion. A copy of the press release is attached as Exhibit 99.2 to this report and incorporated herein by reference.

The Partnership also announced that had it issued a conditional notice of redemption for any and all of the 2025 Notes less any amounts tendered in connection with the Tender Offer. The 2025 Notes will be redeemed in accordance with the indenture governing the 2025 Notes, which provides for a redemption price equal to 102.625% plus accrued and unpaid interest thereon to the redemption date. The foregoing does not constitute a notice of redemption with respect to the 2025 Notes. A copy of the press release is attached as Exhibit 99.4 to this report and incorporated herein by reference.

This Current Report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to buy, the 2031 Notes, it does not constitute an offer to purchase, or a solicitation of an offer to sell, the 2025 Notes and it shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering would be unlawful.

Ladies and Gentlemen:

1. *Introductory.* Cheniere Energy Partners, L.P., a Delaware limited partnership (the “**Company**”), agrees with the initial purchasers named in Schedule A hereto (the “**Purchasers**”) subject to the terms and conditions stated herein, to issue and sell to the Purchasers in the aggregate \$1,500,000,000 principal amount of its 4.000% Senior Notes due 2031 (the “**Notes**”). The Notes shall be issued under the indenture dated as of September 18, 2017 (the “**Base Indenture**”), among the Company, the Guarantors (as defined herein) and The Bank of New York Mellon, as Trustee (the “**Trustee**”), as supplemented by a fifth supplemental indenture that will be dated as of March 11, 2021, relating to the Notes (the “**Fifth Supplemental Indenture**”, and together with the Base Indenture, the “**Indenture**”).

The payment of principal, premium, if any, and interest on the Notes will be fully and unconditionally guaranteed in accordance with the guarantee terms set forth in the Indenture by (i) Cheniere Energy Investments, LLC (“**Cheniere Energy Investments**”), Sabine Pass LNG-GP, LLC (“**SPLNG GP**”), Sabine Pass LNG, L.P. (“**SPLNG**”), Sabine Pass Tug Services, LLC (“**Sabine Pass Tug Services**”), Cheniere Creole Trail Pipeline, L.P. (“**CTPL**”) and Cheniere Pipeline GP Interests, LLC (“**CTPL GP**”) and (ii) any subsidiary of the Company formed or acquired after the Closing Date (as defined herein) that executes an additional guarantee in accordance with the terms of the Indenture, and their respective successors and assigns (collectively, the “**Guarantors**”), pursuant to such guarantees (the “**Guarantees**”). The Notes and the Guarantees attached thereto are herein collectively referred to as the “**Securities**”.

The holders of the Securities will be entitled to the benefits of a registration rights agreement, dated as of the Closing Date (the “**Registration Rights Agreement**”), among the Company, the Guarantors and the Purchasers, pursuant to which the Company and the Guarantors agree to file a registration statement with the Securities and Exchange Commission (the “**Commission**”) registering the exchange of registered securities for the Securities or resale of the Securities under the United States Securities Act of 1933, as amended (the “**Securities Act**”) with terms substantially identical to the Securities (the “**Exchange Notes**” which, along with the Guarantees related thereto, are herein collectively referred to as the “**Exchange Securities**”).

A preliminary offering memorandum, dated February 25, 2021, including the documents incorporated by reference therein (the “**Preliminary Offering Memorandum**”) relating to the Securities to be offered by the Purchasers, and a final offering memorandum, including the documents incorporated by reference therein (the “**Final Offering Memorandum**”) disclosing the offering price and other final terms of the Securities and dated as of the date of this Agreement (even if finalized and issued subsequent to the date of this Agreement) have been or will be prepared by the Company. “**General Disclosure Package**” means the Preliminary Offering Memorandum, together with any Issuer Free Writing Communication (as hereinafter defined) as set forth in Schedule B to this Agreement and existing at the Applicable Time (as hereinafter defined) as well as the information in it which is intended for general distribution

to prospective investors, including, for the avoidance of doubt, the term sheet listing the final terms of the Securities and their offering, included as Schedule C to this Agreement, which is referred to as the “**Terms Communication**”. References herein to the Preliminary Offering Memorandum, the General Disclosure Package and the Final Offering Memorandum shall be deemed to refer to and include any document incorporated by reference therein and any reference to “amend,” “amendment” or “supplement” with respect to the Preliminary Offering Memorandum or the Final Offering Memorandum shall be deemed to refer to and include any documents filed after such date and incorporated by reference therein.

“**Applicable Time**” means 4:05 p.m. (Eastern time) on the date of this Agreement. “**Free Writing Communication**” means a written communication (as such term is defined in Rule 405 under the Securities Act) that constitutes an offer to sell or a solicitation of an offer to buy the Securities and is made by means other than the Preliminary Offering Memorandum or the Final Offering Memorandum. “**Issuer Free Writing Communication**” means a Free Writing Communication prepared by or on behalf of the Company or the Guarantors, used or referred to by the Company or the Guarantors or containing a description of the final terms of the Securities or of their offering, in the form retained in the Company’s records. “**Supplemental Marketing Material**” means any Issuer Free Writing Communication specified in Schedule D to this Agreement.

Each of the Company and the Guarantors, jointly and severally, hereby agrees with the Purchasers as follows:

2. *Representations and Warranties of the Company and the Guarantors.* Each of the Company and the Guarantors, jointly and severally, hereby represents and warrants to, and agrees with, the Purchasers that:

(a) As of its date, the Final Offering Memorandum does not, and as of the Closing Date (as hereinafter defined), the Final Offering Memorandum will not, include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the Applicable Time, the General Disclosure Package does not, and as of the Closing Date the General Disclosure Package will not, include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the time of its use, the Supplemental Marketing Material, when considered together with the General Disclosure Package, did not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The preceding three sentences do not apply to statements in or omissions from the Preliminary Offering Memorandum or Final Offering Memorandum, the General Disclosure Package or any Supplemental Marketing Material based upon written information furnished to the Company by any Purchaser specifically for use therein, it being understood and agreed that the only such information is that described as such in Section 8(b) hereof.

The Company files reports with the Commission pursuant to Section 15(d) of the United States Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). Each document filed with the Commission when it became effective or when it was filed with the Commission, as the case may be, conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder, and none of such documents, at the time they were filed with the Commission, included any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and no such documents were filed with the Commission since the Commission’s close of business on the business day immediately prior to the date of this Agreement or immediately prior to the execution of this Agreement.

(b) The documents incorporated by reference in each of the General Disclosure Package and the Final Offering Memorandum, when they were filed with the Commission, conformed or will conform, as the case may be, in all material respects to the requirements of the Exchange Act, and the rules and regulations of the Commission thereunder, and did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(c) Except for the Supplemental Marketing Material identified in Schedule D hereto and the pricing term sheet in the form of the Terms Communication included in Schedule C hereto, in each case, furnished to the Representative before first use, the Company has not prepared, used or referred to, and will not, without the prior consent of the Representative, prepare, use or refer to any Free Writing Communication in connection with the issuance of the Securities.

(d) The Company has been duly formed and is validly existing as a limited partnership in good standing under the laws of the State of Delaware, with limited partnership power and authority to own or lease its properties and conduct its business as described in the General Disclosure Package. The Company is duly qualified to do business as a foreign limited partnership in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to be so qualified or have such power or authority would not, individually or in the aggregate, reasonably be expected to result in a material adverse effect on the financial condition, business, properties or results of operations of the Company and its subsidiaries, taken as a whole (a “**Material Adverse Effect**”). The Company has the limited partnership power and authority to execute and deliver, and to perform its obligations under, each of this Agreement, the Indenture, the Notes, the Registration Rights Agreement and, if issued, the Exchange Notes.

The General Partner is duly qualified to do business as a foreign limited liability company in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to be so qualified or have such power or authority would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. The General Partner is the sole general partner of the Company, with a 2% general partner interest in the Company (the “**General Partner Interest**”). The General Partner Interest has been duly authorized and is validly issued in accordance with the limited partnership agreement of the Company (as amended to date). The General Partner owns the General Partner Interest free and clear of all liens, encumbrances, equities or claims (except as set forth in its limited partnership agreement).

Each subsidiary of the Company is duly qualified to do business and is in good standing in each jurisdiction in which its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to be so qualified or have such power or authority would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect; all of the issued limited liability company and limited partnership interests of each subsidiary of the Company have been duly and validly authorized and issued, are fully paid (to the extent required under the applicable partnership agreement) and non-assessable (except as such nonassessability may be affected by Sections 17-607 and 17-804 of the Delaware Revised Uniform Limited Partnership Act (the “**DRULPA**”) and as otherwise described in the General Disclosure Package) and are owned directly by the Company, free and clear of all liens, encumbrances, equities or claims (other than Permitted Liens, as defined in the Indenture).

(h) The Base Indenture has been duly authorized, executed and delivered in accordance with its terms by the Company and each Guarantor, and constitutes a valid and legally binding agreement of the Company and each Guarantor, enforceable against the Company and the Guarantors in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors’ rights and remedies or by general equity

principles. The Fifth Supplemental Indenture has been duly authorized by the Company and each Guarantor and, when duly executed and delivered in accordance with its terms by the Company and the Guarantors, assuming due authorization, execution and delivery thereof in accordance with its terms by the Trustee, will constitute a valid and legally binding agreement of the Company and each Guarantor, enforceable against the Company and the Guarantors in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles. The Indenture will conform in all material respects to the description thereof contained in the General Disclosure Package and the Final Offering Memorandum.

(i) The Notes on the Closing Date will be in the form contemplated by the Indenture and have been duly authorized by the Company for issuance and sale pursuant to this Agreement and the Indenture, and when executed by the Company and authenticated by the Trustee in accordance with the terms of the Indenture and delivered against payment of the purchase price therefor, will conform in all material respects to the description thereof contained in the General Disclosure Package and the Final Offering Memorandum, and will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles, and will be entitled to the benefits of the Indenture.

(j) The Exchange Notes have been duly authorized by the Company for issuance and sale pursuant to the Indenture and the Registration Rights Agreement and, when executed by the Company and authenticated by the Trustee in accordance with the terms of the Indenture and the Registration Rights Agreement, will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles, and will be entitled to the benefits of the Indenture.

(k) The Guarantees of the Notes on the Closing Date and the Guarantees of the Exchange Notes, if issued, have been duly authorized by the Guarantors for issuance pursuant to this Agreement and the Indenture; the Guarantees of the Notes, at the Closing Date, will have been duly executed by each of the Guarantors and, when the Notes have been executed and authenticated in the manner provided for in accordance with the provisions of the Indenture and issued and delivered against payment of the purchase price therefor, the Guarantees of the Notes will constitute valid and legally binding agreements of the Guarantors; and when the Exchange Notes have been authenticated in the manner provided for in the Indenture and issued and delivered in accordance with the Registration Rights Agreement, the Guarantees of the Exchange Notes will constitute valid and legally binding obligations of the Guarantors, in each case, enforceable in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles, and will be entitled to the benefits of the Indenture.

(l) The Registration Rights Agreement has been duly authorized by the Company and each Guarantor and, when executed and delivered in accordance with its terms by the Company and the Guarantors and, assuming due authorization, execution and delivery thereof by the other parties thereto, the Registration Rights Agreement will have been duly executed and delivered by the Company and the Guarantors and will constitute a valid and legally binding agreement of the Company and the Guarantors, enforceable against the Company and each Guarantor in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles.

(m) No consent, approval, authorization, or order of, or registration or filing with, any governmental agency or body or any court is required for the Company's or the Guarantors' execution, delivery and performance of any of this Agreement, the Indenture or the Registration Rights Agreement to which it is party, or the issuance and delivery of the Securities or, if issued, the Exchange Securities, or the consummation of the transactions contemplated

hereby and thereby, except (i) such as may be required under applicable state securities laws in connection with the purchase and resale of the Securities by the Purchasers, (ii) those required under the Securities Act in connection with the transactions contemplated by the Registration Rights Agreement and (iii) those that, if not obtained or made, would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(n) The execution and delivery of this Agreement, the Fifth Supplemental Indenture and the Registration Rights Agreement, and the performance of this Agreement, the Indenture and the Registration Rights Agreement, and the issuance and sale of the Securities and compliance with the terms and provisions thereof will not result in (i) a violation of any statute, rule, regulation or order of any governmental agency or body or any court, domestic or foreign, having jurisdiction over the Company, the Guarantors or any of their properties, (ii) a breach or violation of any of the terms or provisions of, or constitute a default under any agreement or instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound or to which any of the properties or assets of the Company or any Guarantor is subject, which breach or violation has not been waived, or (iii) any violation of the provisions of the limited partnership agreement or certificate of formation of the Company, SPLNG, CTPL or the provisions of the limited liability company agreement or certificate of formation of the General Partner, Cheniere Energy Investments, SPLNG GP, Sabine Pass Tug Services or CTPL GP (collectively, the **“Organizational Documents”**), except, in the case of clauses (i) and (ii) above, for any such conflict, breach or violation that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(o) The Company and/or its applicable subsidiary has good and indefeasible title to all real property and good title to all personal property described in the General Disclosure Package as owned by the Company or such subsidiary, free and clear of all Liens, other than Permitted Liens (as such terms are defined in the Indenture) except (i) as described, and subject to limitations contained, in the General Disclosure Package or (ii) as do not materially interfere with the use of such properties taken as a whole as they have been used in the past and are proposed to be used in the future as described in the General Disclosure Package; with respect to any real property and buildings held under lease by the Company and/or its applicable subsidiary, such real property and buildings are held under valid and subsisting and enforceable leases with such exceptions as do not materially interfere with the use of the properties of the Company and/or its subsidiaries as they have been used in the past as described in the General Disclosure Package and are proposed to be used in the future as described in the General Disclosure Package; *provided, however*, that with respect to such leases, the enforceability thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws relating to or affecting creditors' rights and remedies and by general equity principles.

(q) Except as disclosed in or contemplated by the General Disclosure Package, the Company and/or its applicable subsidiary possess all Governmental Licenses that are required to develop and operate Trains 1 through 6 of the Liquefaction Project, the Creole Trail Pipeline and the Sabine Pass LNG terminal (as such terms are defined in the General Disclosure Package) for their business as described in the General Disclosure Package, except (i) those expected by the Company and/or its subsidiaries to be obtained in the ordinary course by the time they are necessary or (ii) where the failure to so possess would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(r) No material labor dispute with the employees of the Company or its subsidiaries exists or, to the knowledge of the Company and the Guarantors, is imminent, that would reasonably be expected to have a Material Adverse Effect.

(s) Except as would not reasonably be expected to have a Material Adverse Effect, (i) the Company and/or its applicable subsidiary owns or possesses, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, “**Intellectual Property**”) necessary to carry on the business of the Company and its subsidiaries, and (ii) the Company and its subsidiaries have not received any notice and are not otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances that would render any Intellectual Property invalid or inadequate to protect the interests in the Company and its subsidiaries.

(t) Except as disclosed in or contemplated by the General Disclosure Package, the Company and its subsidiaries (i) are in compliance with any and all applicable federal, state and local laws and regulations relating to the prevention of pollution, the protection of the environment or human health or safety relating to Hazardous Materials (as defined below), or imposing liability or standards of conduct concerning any Hazardous Materials (“**Environmental Laws**”) and have been in compliance with such Environmental Laws within any applicable statute of limitation period, (ii) have received all permits, licenses, approvals or other authorizations required of them under applicable Environmental Laws (“**Environmental Permits**”) to conduct their business as presently conducted, (iii) are in compliance with all terms and conditions of any such Environmental Permits, (iv) do not have any liability in connection with the Release (as defined below) into the environment of any Hazardous Material, (v) have not received any written communication from a governmental authority that alleges that they are in violation of, or liable under, any Environmental Law, (vi) have not received any written communication from any other third party that alleges that they are in violation of, or liable under, any Environmental Law, (vii) have not received written notice from any governmental authority that they are subject to any investigation with respect to any potential violation of or liability under or pursuant to Environmental Laws, (viii) are not subject to any order, judgment or decree with respect to liability pursuant to Environmental Laws or in connection with Hazardous Materials, except in the case of each of clauses (i), (ii), (iii), (iv), (v), (vi), (vii) and (viii) as would not, individually or in the aggregate, have a Material Adverse Effect. The term “**Hazardous Material**” means (A) any “hazardous substance” as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, (B) any “hazardous waste” as defined in the Resource Conservation and Recovery Act, as amended, (C) any petroleum or petroleum product, (D) any polychlorinated biphenyl and (E) any pollutant or contaminant or hazardous, dangerous or toxic chemical, material, waste or substance regulated under or within the meaning of any applicable Environmental Law or which can give rise to liability under any Environmental Law. The term “**Release**” means any release, spill, emission, discharge, deposit, disposal, leaking, pumping, pouring, dumping, emptying, injection or leaching into the environment.

The third sentence of this subsection does not apply to statements in or omissions from any document in the Preliminary Offering Memorandum or Final Offering Memorandum, the General Disclosure Package or any Supplemental Marketing Material made in reliance upon and in conformity with written information furnished to the Company by the Purchasers specifically for use therein, it being understood and agreed that the only such information is that described as such in Section 8(b) hereof.

(b) The Company will furnish to the Representative copies of the Preliminary Offering Memorandum, each other document comprising a part of the General Disclosure Package, the Final Offering Memorandum, all amendments and supplements to such documents and each item of Supplemental Marketing Material, in each case as soon as available and in such quantities as the Representative reasonably requests. At any time when the Company is not subject to Section 13 or 15(d) of the Exchange Act, the Company will promptly furnish or cause to be furnished to the Representative and, upon request, to each of the other Purchasers and, upon request of holders and prospective purchasers of the Securities, to such holders and purchasers, copies of the information required to be delivered to holders and prospective purchasers of the Securities pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto) in order to permit compliance with Rule 144A in connection with resales by such holders of the Securities. The Company will pay the expenses of printing and distributing to the Purchasers all such documents.

(c) The Company will arrange for the qualification of the Securities for sale and the determination of their eligibility for investment under the laws of such jurisdictions in the United States and Canada as the Representative designates and will continue such qualifications in effect so long as required for the resale of the Securities by the Purchasers, *provided* that the Company will not be required to qualify as a foreign limited partnership or to file a general consent to service of process in any such jurisdiction or to take any action that would subject itself to taxation based on income or revenues in any such jurisdiction where it is not currently subject to taxation.

(d) During the period of one year after the Closing Date, the Company will furnish to the Representative and, upon request, to each of the other Purchasers, as soon as practicable after the end of each fiscal year, a copy of the Company's annual report for such year; and the Company will furnish to the Representative and, upon request, to each of the other Purchasers as soon as available, a copy of each report and any definitive proxy statement of the Company and of any Guarantor that is a reporting company filed with the Commission under the Exchange Act or mailed to unitholders. However, so long as the Company timely files reports with the Commission on its Electronic Data Gathering, Analysis and Retrieval system ("**EDGAR**") as if the Company were subject to the reporting requirements of either Section 13 or Section 15(d) of the Exchange Act, it is not required to furnish such reports or statements to the Purchasers.

(e) During the period of one year after the Closing Date, the Company will, upon reasonable request, furnish to the Representative, each of the other Purchasers and any holder of Securities a copy of the restrictions on transfer applicable to the Securities.

(f) During the period of one year after the Closing Date, the Company will not, and will not permit any of its Affiliates to, resell any of the Securities that have been reacquired by any of them. Neither the Company nor any Affiliate will sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in the Securities Act) that would be integrated with the sale of the Securities in a manner that would require the registration under the Securities Act of (i) the sale of the Securities by the Company and the Guarantors to the Purchasers, (ii) the resale of the Securities by the Purchasers to any subsequent purchasers or (iii) the resale of the Securities by such subsequent purchasers to others.

(g) During the period of one year after the Closing Date, neither the Company nor any of the Guarantors will be or become, an open-end investment company, unit investment trust or face-amount certificate company that is or is required to be registered under Section 8 of the Investment Company Act.

(h) None of the Company, the Guarantors, or their respective Affiliates, or any person acting on their behalf (other than any Purchaser, as to whom the Company and the Guarantors make no representations) will engage in any form of general solicitation or general advertising (within the meaning of Regulation D of the Securities Act) in connection with any offer or sale of the Securities in the United States or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Securities Act or engage in any directed selling efforts (as that term is defined in Regulation S) in the United States with respect to the Securities, and the Company, the Guarantors and their respective Affiliates and each person acting on its or their behalf (other than the Purchasers) will comply with the offering restrictions requirement of Regulation S.

(i) The Company will cooperate with the Purchasers and use its best efforts to permit the Securities to be eligible for clearance and settlement through DTC, Euroclear and Clearstream, Luxembourg.

(j) Whether or not the transactions contemplated in this Agreement are consummated or this Agreement is terminated, the Company will pay all expenses incidental to the performance of its obligations under this Agreement, the Indenture and the Registration Rights Agreement, including but not limited to: (i) the fees and expenses of the Trustee, the collateral agent and any transfer agent, registrar or depository and their professional advisers for which the Company is responsible; (ii) all expenses in connection with the execution, issue, authentication, packaging and initial delivery of the Securities, including any withholding, stamp, transfer or other similar taxes in connection with the original issuance and sale of Securities, the preparation and printing of this Agreement, the Securities, the Indenture, the Registration Rights Agreement, the Preliminary Offering Memorandum, any other documents comprising any part of the General Disclosure Package, the Final Offering Memorandum, all amendments and supplements thereto, each item of Supplemental Marketing Material and any other document relating to the issuance, offer, sale and delivery of the Securities, including the fees, disbursements and expenses of the Company's counsel, Company's accountants and any other advisors to the Company, and any fees in connection with the release of the collateral or a Security Requirement Period (as defined in the Indenture); (iii) the cost of any advertising approved by the Company in connection with the issue of the Securities; (iv) any expenses (including reasonable fees and disbursements of counsel to the Purchasers) incurred in connection with qualification of the Securities for sale under the laws of such jurisdictions in the United States and Canada as the Representative designates and the preparation and printing of memoranda relating thereto; (v) any fees charged by investment rating agencies for the rating of the Securities; (vi) expenses incurred in distributing the Preliminary Offering Memorandum, any other documents comprising any part of the General Disclosure Package, the Final Offering Memorandum (including any amendments and supplements thereto, including any form of electronic distribution) and any Supplemental Marketing Material to the Purchasers; (vii) all reasonable and documented out-of-pocket expenses (other than the fees, expenses and disbursements of counsel to the Purchasers) incurred by the Representative in connection with the transactions contemplated in this Agreement; and (viii) all other reasonable and documented costs and expenses incident to the performance of the obligations of the Company hereunder for which provision is not otherwise made in this Section. The Company will also pay or reimburse the Representative (to the extent incurred by it) for reasonable, documented, out-of-pocket costs and expenses of the Representative and the Company's officers and employees relating to investor presentations on any "road show" in connection with the offering and sale of the Securities including, without limitation, any such travel expenses of the Company's officers and employees and any other expenses of the Company including, subject to prior approval by the Company, the chartering of airplanes.

(k) The Company will use the net proceeds received in connection with the offering of the Securities in the manner described in the "Use of Proceeds" section of the General Disclosure Package.

(l) In connection with the offering of the Securities, until the Representative shall have notified the Company of the completion of the resale of the Securities, neither the Company nor any of its Affiliates will, either alone or with one or more other persons, bid for or purchase for any account in which it or any of its Affiliates has a beneficial interest any Securities or attempt to induce any person to purchase any Securities; and neither it nor any of its Affiliates will make bids or purchases for the purpose of creating actual, or apparent, active trading in, or of raising the price of, the Securities.

(m) Until the Closing Date, the Company and the Guarantors will not, directly or indirectly, take any of the following actions with respect to any United States dollar-denominated debt securities issued or guaranteed by the Company or the Guarantors and having a maturity of more than one year from the date of issue or any securities convertible or exchangeable or exercisable for any such securities (“**Lock-Up Securities**”): (i) offer, sell, issue, contract to sell, pledge or otherwise dispose of Lock-Up Securities, (ii) offer, sell, issue, contract to sell, contract to purchase or grant any option, right or warrant to purchase Lock-Up Securities, (iii) enter into any swap, hedge or any other agreement that transfers, in whole or in part, the economic consequences of ownership of Lock-Up Securities, (iv) establish or increase a put equivalent position or liquidate or decrease a call equivalent position in Lock-Up Securities within the meaning of Section 16 of the Exchange Act or (v) file with the Commission a registration statement under the Securities Act relating to Lock-Up Securities or publicly disclose the intention to take any such action (other than as contemplated by this Agreement and the Registration Rights Agreement or in connection with pre-existing obligations with respect to debt securities issued under the Base Indenture), without the prior written consent of the Representative. The Company and the Guarantors will not at any time directly or indirectly, take any action referred to in clauses (i) through (v) above with respect to any securities under circumstances where such offer, sale, pledge, contract or disposition would cause the exemption afforded by Section 4(a)(2) of the Securities Act or the safe harbor of Regulation S thereunder to cease to be applicable to the offer and sale of the Securities.

6. *Free Writing Communications.*

(a) The Company represents and agrees that, unless it obtains the prior consent of the Representative, and each Purchaser represents and agrees that, unless it obtains the prior consent of the Company and Representative, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Communication.

(b) The Company consents to the use by any Purchaser of a Free Writing Communication that (i) contains only (A) information describing the preliminary terms of the Securities or their offering or (B) information that describes the final terms of the Securities or their offering and that is included in the Terms Communication or is subsequently included in the Final Offering Memorandum, including by means of a pricing term sheet in the form of the Terms Communication included in Schedule C hereto, or (ii) does not contain any material information about the Company or its securities that was provided by or on behalf of the Company, it being understood and agreed that the Company shall not be responsible to any Purchaser for liability arising from any inaccuracy in such Free Writing Communications referred to in clause (i) or (ii) because it differed from the information in the Preliminary Offering Memorandum, the Final Offering Memorandum or the General Disclosure Package.

7. *Conditions of the Obligations of the Purchasers.* The several obligations of the Purchasers to purchase and pay for the Securities as provided herein are subject to the satisfaction or waiver, as determined by the Representative of the following conditions precedent:

(a) The Representative shall have received letters, dated (A) the date hereof, of KPMG LLP, in form and substance satisfactory to the Representative and (B) the Closing Date, of KPMG LLP, in form and substance satisfactory to the Representative, which letters shall each contain confirming statements and information of the type ordinarily included in “accountants’ comfort letters” to underwriters with respect to the financial statements and certain financial information contained in the General Disclosure Package and the Final Offering Memorandum, except that the specific date referred to therein for the carrying out of procedures shall be no more than three (3) business days prior to the date of such letter.

(b) Subsequent to the execution and delivery of this Agreement and prior to the Closing Date, there shall not have occurred (i) any change, or any development or event involving a prospective change, in the financial condition, results of operations, business or properties of the Company and its subsidiaries, taken as a whole, from that set forth in the General Disclosure Package provided to prospective purchasers of the Securities which, in the

reasonable judgment of the Representative, is material and adverse and makes it impractical or inadvisable to proceed with completion of the offering or the sale of and payment for the Securities in the manner contemplated in the General Disclosure Package or (ii) any downgrading in the rating of any debt securities of the Company by any “nationally recognized statistical rating organization” (as defined in Section 3(a)(62) under the Exchange Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Company (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating) or any announcement that the Company has been placed on negative outlook.

(c) The representations and warranties of the Company and the Guarantors contained in this Agreement shall be true and correct on and as of the Applicable Time and on and as of the Closing Date as if made on and as of the Closing Date.

(d) The Representative shall have received on the Closing Date an opinion and negative assurance letter of Latham & Watkins LLP, counsel for the Company, in form and substance reasonably satisfactory to the Representative, to the effect set forth in Exhibit A hereto and to such further effect as counsel to the Purchasers may reasonably request. Such opinion and letter shall be dated as of the Closing Date and rendered to the Purchasers at the request of the Company and shall so state therein.

(e) The Representative shall have received on the Closing Date from Skadden, Arps, Slate, Meagher & Flom LLP, counsel for the Purchasers, such opinion or opinions, dated the Closing Date, with respect to such matters as the Representative may require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(f) The Representative shall have received on the Closing Date a certificate, dated the Closing Date, of an executive officer of the Company and each Guarantor and a principal financial or accounting officer of the Company and each Guarantor in which such officers, to their knowledge after reasonable investigation, shall state to the effect set forth in Section 7(b)(ii) hereof and that the representations and warranties of the Company and each Guarantor in this Agreement were true and correct as of the Applicable Time and are true and correct as of the Closing Date, that the Company and each Guarantor has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date, and that, subsequent to the date of the most recent financial statements in the General Disclosure Package, there has been no material adverse change in the financial condition, results of operations, business or properties of the Company or the Guarantors except as set forth in the General Disclosure Package or as described in such certificate.

(g) The Company and the Guarantors shall have executed and delivered the Fifth Supplemental Indenture, in form and substance reasonably satisfactory to the Representative, and the Representative shall have received executed copies thereof.

(h) The Company and the Guarantors shall have executed and delivered the Registration Rights Agreement, in form and substance reasonably satisfactory to the Representative, and the Representative shall have received executed copies thereof.

(i) The Representative shall have received for its own account all fees due and payable to the Representative pursuant to this Agreement and all such costs and expenses for which invoices have been presented (collectively, the “**Closing Date Transaction Costs**”). All such amounts will be paid with proceeds of the Securities and will be reflected in the funding instructions given by the Company to the Purchasers on or before the Closing Date.

(j) The sale of the Securities shall not be enjoined (temporarily or permanently) on the Closing Date.

(k) On or before the Closing Date, the Representative and Skadden, Arps, Slate, Meagher & Flom LLP shall have received such information, documents and letters as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Securities as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

(l) The Trustee shall have received an opinion of Latham & Watkins LLP, counsel for the Company, in form reasonably satisfactory to the Trustee.

The Company will furnish the Representative with such conformed copies of such opinions, certificates, letters and documents as the Representative reasonably request.

8. *Indemnification and Contribution.*

(a) Each of the Company and the Guarantors, jointly and severally, agrees to indemnify and hold harmless each Purchaser, its partners, members, directors, officers, employees, agents, Affiliates and each person, if any, who controls such Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, an “**Indemnified Party**”), against any and all losses, claims, damages or liabilities, joint or several, or any actions in respect thereof (including but not limited to, any losses, claims, damages, liabilities or actions relating to purchases and sales of the Securities) to which such Indemnified Party may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of any material fact contained in the Preliminary Offering Memorandum or the Final Offering Memorandum, in each case as amended or supplemented, or any Issuer Free Writing Communication (including without limitation, any Supplemental Marketing Material), or arise out of, or are based upon, the omission or alleged omission of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating, preparing or defending against any such loss, claim, damage, liability or action as such expenses are incurred; *provided, however*, that the Company and the Guarantors will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of, or is based upon, an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by any Purchaser specifically for use therein, it being understood and agreed that the only such information consists of the information described as such in subsection (b) below.

(b) Each Purchaser, severally and not jointly, will indemnify and hold harmless each of the Company, each Guarantor and each of their respective partners, members, managers, directors and officers and each person, if any, who controls the Company or any Guarantor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, a “**Purchaser Indemnified Party**”), against any losses, claims, damages or liabilities or actions in respect thereof, to which such Purchaser Indemnified Party may become subject, under the Securities Act, the Exchange Act, or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of any material fact contained in the Preliminary Offering Memorandum or the Final Offering Memorandum, in each case as amended or supplemented, or any Issuer Free Writing Communication or arise out of, or are based upon, the omission or the alleged omission of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Purchaser specifically for use therein; and, subject to the limitation set forth in the immediately preceding clause, will reimburse any legal or other expenses reasonably incurred by such Purchaser Indemnified Party in connection with investigating, preparing or defending against any such loss, claim, damage, liability or action in respect thereof, as such expenses are incurred, it being understood and agreed that the only such information furnished by any Purchaser consists of the following information in the Preliminary Offering Memorandum and the Final Offering Memorandum: the names of the Purchasers on the cover page and under the heading “Plan of Distribution;” the information in (i) the first sentence of the third paragraph; (ii) the first, second, third, fourth, fifth, eighth, ninth and tenth sentences of the seventh paragraph; (iii) the fifth sentence of the eighth paragraph; (iv) the third, eighth and ninth sentences of the ninth paragraph; and (v) the first sentence of the twelfth paragraph, under the heading “Plan of Distribution;” *provided, however*, that the Purchasers shall not be liable for any losses, claims, damages or liabilities arising out of or based upon the Company’s or the Guarantors’ failure to perform their obligations under Section 5(a) of this Agreement.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action or proceeding (including a governmental investigation), such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. In any such proceeding, the Representative shall have the right to retain counsel to represent jointly the Purchasers, but the fees and expenses of such counsel shall be at the expense of such Purchasers unless (i) the Company and the Purchasers shall have mutually agreed to the retention of such counsel, (ii) the Company has failed within a reasonable time to retain counsel reasonably satisfactory to the Purchasers, (iii) the Purchasers shall have reasonably concluded and have been advised by counsel that there may be legal defenses available to them that are different from or in addition to those available to the Company, or (iv) the named parties to any such proceeding (including any impleaded parties) include both the Company and the Purchasers and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. Such firm shall be designated in writing by the Representative, in the case of parties indemnified pursuant to Section 8(a), and by the Company, in the case of parties indemnified pursuant to Section 8(b). No indemnifying party shall, without the prior written consent of the indemnified party, which consent shall not be unreasonably withheld or delayed, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) If the indemnification provided for in this Section 8 is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party on the other from the offering of the Securities or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof) as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors on the one hand and the Purchasers on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company and the Guarantors from the sale of the Securities, on the one hand, bear to the total discounts and commissions received by the Purchasers from the Company under this Agreement, on the other hand. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue statement or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably

incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding any other provisions of this subsection (d), no Purchaser shall be required to contribute any amount in excess of the amount by which the total price at which the Securities purchased by it were resold exceeds the amount of any damages which such Purchaser has otherwise been required to pay by reason of such untrue statement or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Purchasers' obligations in this subsection (d) to contribute are several in proportion to their respective purchase obligations and not joint. The Company and the Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation (even if the Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(d).

(e) The obligations of the Company and the Guarantors under this Section shall be in addition to any liability which the Company and the Guarantors may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Purchaser within the meaning of the Securities Act or the Exchange Act; and the obligations of the Purchasers under this Section shall be in addition to any liability which the Purchasers may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls the Company or the Guarantors within the meaning of the Securities Act or the Exchange Act.

(f) The indemnity and contribution provisions contained in this Section 8 and the representations and warranties of the Company and the Guarantors contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Indemnified Party or any Purchaser Indemnified Party and (iii) acceptance of and payment for any of the Securities.

9. *Termination.* The Representative may terminate this Agreement by notice given by the Representative to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally shall have been suspended or materially limited on, or by, as the case may be, the New York Stock Exchange, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over the counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by Federal or New York State authorities or (v) any attack on, outbreak or escalation of hostilities or act of terrorism involving the United States, any declaration of war by Congress or any other national or international calamity or emergency such that, in each case, in the reasonable judgment of the Representative, makes it impracticable or inadvisable to proceed with the offer, sale or delivery of the Securities on the terms and in the manner contemplated in the General Disclosure Package or the Final Offering Memorandum.

10. *Default of Purchasers.* If any Purchaser or Purchasers default in their obligations to purchase Securities hereunder on the Closing Date and the aggregate principal amount of the Securities that such defaulting Purchaser or Purchasers agreed but failed to purchase does not exceed 10% of the total principal amount of the Securities, the Representative may make arrangements satisfactory to the Company for the purchase of such Securities by other persons, including any of the Purchasers, but if no such arrangements are made by such Closing Date, the non-defaulting Purchasers shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the Securities that such defaulting Purchasers agreed but failed to purchase on the Closing Date. If any Purchaser or Purchasers so default and the aggregate principal amount of Securities with respect to which such default or defaults occur exceeds 10% of the total principal amount of the Securities that Purchasers are required to purchase on the Closing Date and arrangements satisfactory to the Representative and the Company for the purchase of such Securities by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Purchaser or the Company, except as provided in Section 11. As used in this Agreement, the term "Purchaser" includes any person substituted for a Purchaser under this Section. Nothing herein will relieve a defaulting Purchaser from liability for its default.

11. *Survival of Certain Representations and Obligations.* The indemnities, agreements, representations, warranties and other statements of the Company and the Guarantors or their officers and of the Purchasers set forth in

or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Purchaser, the Company, the Guarantors or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Securities. If the Company shall, in its sole discretion, fail or refuse to sell the Securities to the Purchasers, the Company will reimburse the Representative for all out-of-pocket expenses (including reasonable fees and disbursements of counsel) reasonably incurred by it pursuant to the terms of this Agreement in connection with the offering of the Securities.

12. *Notices.* All communications hereunder will be in writing and, if sent to the Purchasers will be mailed, delivered or telecopied and confirmed to the Representative, c/o:

provided, however, that any notice to a Purchaser pursuant to Section 8 will be mailed, delivered or telecopied and confirmed to such Purchaser.

13. *Successors.* This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and any Indemnified Party and any Purchaser Indemnified Party, and no other person will have any right or obligation hereunder, except that holders of the Securities shall be entitled to enforce the agreements for their benefit contained in the second and third sentences of Section 5(b) hereof against the Company as if such holders were parties thereto.

14. *Representation of Purchasers.* The Representative will act for the several Purchasers in connection with the transaction contemplated by this Agreement, and any action under this Agreement taken by the Representative will be binding upon all the Purchasers.

15. *Counterparts.* This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement. Any signature to this Agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement.

16. *Absence of Fiduciary Relationship.* The Company and the Guarantors acknowledge and agree that:

(a) The Purchasers have been retained solely to act as initial purchasers in connection with the initial purchase, offering and resale of the Securities and that no fiduciary, advisory or agency relationship between the Company, the Guarantors and the Purchasers has been created in respect of any of the transactions contemplated by this Agreement or the Preliminary Offering Memorandum or the Final Offering Memorandum, irrespective of whether the Purchasers have advised or are advising the Company or the Guarantors on other matters;

(b) The purchase price of the Securities set forth in this Agreement was established by the Company following discussions and arms-length negotiations with the Purchasers and the Company, and the Company is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement;

(c) The Company and the Guarantors have been advised that the Purchasers and their respective affiliates are engaged in a broad range of transactions which may involve interests that differ from those of the Company and the Guarantors and that the Purchasers have no obligation to disclose such interests and transactions to the Company and the Guarantors by virtue of any fiduciary, advisory or agency relationship; and

(d) The Company and the Guarantors waive, to the fullest extent permitted by law, any claims they may have against the Purchasers for breach of fiduciary duty or alleged breach of fiduciary duty arising out of the transactions contemplated by this Agreement and agree that the Purchasers shall have no liability (whether direct or indirect) to the Company or the Guarantors in respect of such a fiduciary duty claim or to any person asserting such fiduciary duty claim on behalf of or in right of the Company and the Guarantors, including stockholders, employees or creditors of the Company and the Guarantors.

17. *Partial Unenforceability.* The invalidity or unenforceability of any section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other section, paragraph or provision hereof. If any section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes) as are necessary to make it valid and enforceable.

18. *Entire Agreement.* This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the Securities, represents the entire agreement between the Company, the Guarantors and the Purchasers with respect to the preparation of the Preliminary Offering Memorandum, the General Disclosure Package, the Final Offering Memorandum, the conduct of the offering, and the purchase and sale of the Securities. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company, the Guarantors and the Purchasers, or any of them, with respect to the subject matter hereof.

The Notes have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), and are being offered and sold (i) to persons that are reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the Securities Act) in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A thereunder, and (ii) to persons outside the United States in accordance with Regulation S under the Securities Act.

It is expected that delivery of the Notes will be made to investors on or about the tenth business day following the time of sale (“T+10”). Under Rule 15c6-1(a) of the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade Notes on the date of pricing or the next succeeding seven business days will be required, by virtue of the fact that the Notes initially will settle in T+10, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of Notes who wish to trade Notes on such dates should consult their own advisors.

CHENIERE ENERGY PARTNERS, L.P. NEWS RELEASE

Cheniere Partners Announces Cash Tender Offer and Consent Solicitation

Houston, Texas – February 25, 2021 – Cheniere Energy Partners, L.P. (“Cheniere Partners”) (NYSE American: CQP) announced today that it has commenced a cash tender offer to purchase up to \$1.0 billion in aggregate principal amount of its outstanding 5.250% Notes due 2025 (the “Notes”) on the terms set forth in the table below.

Series of Notes	CUSIP Numbers	Aggregate Principal Amount Outstanding	Tender Cap(1)	Tender Consideration(2)	Early Tender Premium(3)	Total Consideration(2)(3)
5.250% Notes due 2025	16411QAB7 U16353AA9	\$1,500,000,000	\$1,000,000,000	\$ 977.27	\$ 50.00	\$ 1,027.27

- (1) Represents maximum aggregate principal amount of Notes to be accepted for purchase by Cheniere Partners, exclusive of accrued and unpaid interest.
- (2) Per \$1,000 principal amount of Notes validly tendered (and not validly withdrawn) and accepted for purchase by Cheniere Partners. Excludes accrued and unpaid interest, which will be paid on Notes accepted for purchase by Cheniere Partners as described below.
- (3) Includes the \$50.00 early tender premium for Notes validly tendered at or prior to the Early Tender Deadline (as defined below) (and not validly withdrawn) and accepted for purchase by Cheniere Partners.

In connection with the tender offer, Cheniere Partners is soliciting consents from holders of the Notes to amend certain provisions of the indenture governing the Notes (the “Proposed Amendment”). The Proposed Amendment would amend the indenture with respect to the Notes to reduce the minimum notice period to optionally redeem the Notes.

Cheniere Partners will not be obligated to accept for purchase any Notes pursuant to the tender offer unless certain conditions are satisfied or waived by Cheniere Partners, including (1) entry by Cheniere Partners at or prior to the Expiration Date (as defined below) (or Early Tender Deadline, if Cheniere Partners elects to have an early settlement) into a definitive contract providing for the receipt by Cheniere Partners, on terms satisfactory to it in its sole discretion subject to applicable law, of a minimum of \$1,000,000,000 in gross proceeds from one or more debt financings and (2) the receipt by Cheniere Partners at or prior to the final settlement date (or early settlement date, if Cheniere Partners elects to have an early settlement) of a minimum of \$1,000,000,000 in gross proceeds from one or more debt financings upon fulfillment of customary conditions. The tender offer is not conditioned on any minimum amount of Notes being tendered or receipt of requisite consents to adopt the proposed amendments. Subject to applicable law, Cheniere Partners may amend, extend or terminate the tender offer in its sole discretion.

The tender offer and consent solicitation is being made solely pursuant to the terms and conditions set forth in an Offer to Purchase and Consent Solicitation Statement, dated February 25, 2021. Holders of the Notes are urged to carefully read the Offer to Purchase and Consent Solicitation Statement before making any decision with respect to the tender offer and consent solicitation.

The tender offer and consent solicitation will expire at 12:01 a.m., New York City time, on March 24, 2021, unless extended, earlier expired or terminated by Cheniere Partners (such time and date, as the same may be extended, earlier expired or terminated by Cheniere Partners in its sole discretion, subject to applicable law, the “Expiration Date”). Tendered Notes may be withdrawn and consents delivered may be revoked at or prior to 5:00 p.m., New York City time, on March 10, 2021 by following the procedures in the Offer to Purchase and Consent Solicitation Statement, but may not thereafter be validly withdrawn and validly revoked, except as provided for in the Offer to Purchase and Consent Solicitation Statement or required by applicable law.

Holders of Notes must validly tender and not validly withdraw their Notes and validly deliver and not validly revoke their consents at or prior to 5:00 p.m., New York City time, on March 10, 2021 (such time and date, as the same may be extended by Cheniere Partners in its sole discretion, subject to applicable law, the “Early Tender Deadline”) in order to be eligible to receive the total consideration, which includes the early tender premium for the Notes of \$1,027.27 per \$1,000 principal amount of Notes tendered. Holders who validly tender their Notes and deliver their consents after the Early Tender Deadline and at or prior to the Expiration Date will be eligible to receive only the tender consideration, as set forth in the table above. Accrued and unpaid interest will be paid on all Notes validly tendered and accepted for purchase from the last interest payment date up to, but not including, the applicable settlement date.

If purchasing all of the validly tendered and not validly withdrawn Notes on the applicable settlement date would cause the tender cap to be exceeded on such settlement date, Cheniere Partners will accept for purchase such Notes on a pro rata basis, so as to not exceed the tender cap (with adjustments to avoid the purchase of Notes in a principal amount other than in integral multiples of \$1,000 or the return to any holders of an amount less than the minimum denomination).

If proration of the tendered Notes is required, Cheniere Partners will determine the final proration factor as soon as practicable after the Early Tender Deadline or the Expiration Date, as applicable, and after giving effect to any increase or decrease in, or elimination of, the tender cap (which Cheniere Partners reserves the right, but is under no obligation, to do at any time without extending the withdrawal deadline, subject to applicable law). In the event that Notes validly tendered at or prior to the Early Tender Deadline (and not validly withdrawn) are subject to proration, the consents related to such Notes will be null and void and the requisite consents will be deemed not to have been obtained with respect to the Notes. As a result, the supplemental indenture will not be executed until after it has been determined whether Notes validly tendered at or prior to the Early Tender Deadline (and not validly withdrawn) will be subject to proration. In the event that Notes validly tendered after the Early Tender Deadline and prior to the Expiration Date (and not validly withdrawn) are subject to proration, the consents related to such Notes will remain effective (and proration of Notes validly tendered after the Early Tender Deadline will not affect the validity of the consents related to Notes tendered prior to the Early Tender Deadline).

Cheniere Partners reserves the right, but is under no obligation, at any time after the Early Tender Deadline and before the Expiration Date, to accept for purchase Notes that have been validly tendered and not validly withdrawn at or prior to the Early Tender Deadline on the early settlement date. Cheniere Partners currently expects the early settlement date, if any, to occur on March 12, 2021. If Cheniere Partners chooses to exercise its option to have an early settlement date, Cheniere Partners will purchase any remaining Notes that have been validly tendered and not validly withdrawn after the Early Tender Deadline and at or prior to the Expiration Date, subject to the tender cap and all conditions to the tender offer having been satisfied or waived by Cheniere Partners, on a date following the Expiration Date. The final settlement date is expected to occur promptly following the Expiration Date, and is currently expected to occur on March 25, 2021, unless extended by Cheniere Partners. If Cheniere Partners chooses not to exercise its option to have an early settlement date, Cheniere Partners will purchase all Notes that have been validly tendered and not validly withdrawn at or prior to the Expiration Date, subject to the tender cap and all conditions to the tender offer having been satisfied or waived by Cheniere Partners, on the final settlement date. Tenders of Notes and delivery of consents submitted after the Expiration Date will not be valid.

Subsequent to the commencement of the tender offer and the consent solicitation and conditioned upon the receipt of the net proceeds from the Debt Financing and the lack of receipt of the requisite consents on or prior to the Early Tender Deadline, Cheniere Partners intends to issue a notice of redemption for all or a portion of the Notes that remain outstanding following the consummation or termination of the tender offer and consent solicitation. Any such redemption would be made pursuant to the existing notice period provisions in the indenture and in accordance with the terms of the indenture, as supplemented, pursuant to which the Notes were issued, which provides for a redemption price equal to 102.625% plus accrued and unpaid interest thereon to the redemption date. In addition, assuming the execution and delivery of the supplemental indenture, Cheniere Partners currently intends, in accordance with the terms and conditions of the indenture, as may be amended as a result of the Proposed Amendment, to mail a notice of redemption to the holders of any outstanding Notes on the early settlement date, if

any, although Cheniere Partners has no legal obligation to do so and the selection of any particular redemption date is in Cheniere Partners' discretion. These statements shall not constitute a notice of any such redemptions under the indenture. Any such notice, if made, will only be made in accordance with the provisions of the indenture.

Cheniere Partners has retained J.P. Morgan Securities LLC to act as the dealer manager and solicitation agent and Ipreo LLC to act as the tender and information agent for the tender offer and consent solicitation. For additional information regarding the terms of the tender offer and consent solicitation, please contact J.P. Morgan Securities LLC collect at (212) 834-2045 or toll-free at (866) 834-4666. This press release is for informational purposes only and does not constitute an offer to purchase securities or a solicitation of an offer to sell any securities or an offer to sell or the solicitation of an offer to purchase any securities nor does it constitute an offer or solicitation in any jurisdiction in which such offer or solicitation is unlawful.

None of Cheniere Partners, the tender and information agent, the dealer manager and solicitation agent or the trustee (nor any of their respective directors, officers, employees or affiliates) makes any recommendation as to whether holders should tender their Notes pursuant to the tender offer and deliver any related consents, and no one has been authorized by any of them to make such a recommendation. Holders must make their own decisions as to whether to tender their Notes, and, if so, the principal amount of Notes to tender.
